

## The End

The Bates

You're feelin' lonely  
You're feelin' cold  
You're looking awful  
You're lookin' old

Once you were handsome  
Once you had friends  
But this is over  
This is the end

(Babababa) (4x)

I'm feelin' lonely too  
I'm feelin' cold  
I'm lookin' awful too  
I'm lookin' old

Once I was handsome  
Once I had friends  
But this is over  
This is the end

(Babababa) (4x)  
(Instrumental)
