

## For The Turnstiles

The Be Good Tanyas

All the sailors with their seasick mamas  
Hear the sirens on the shore  
They're singin' songs for pimps with tailors  
Who charge ten dollars at the door

And you can really learn a lot that way  
It will change you in the middle of the day  
Though your confidence may be shattered  
It doesn't matter

And all the great explorers  
Are now in granite laid  
Under white sheets for the great unveiling  
At the big parade

And you can really learn a lot that way  
It will change you in the middle of the day  
Though your confidence, it may be shattered  
It doesn't matter

And all the bush league batters  
Are left to die on the diamond  
And in the stands the home crowd scatters  
For the turnstiles

For the turnstiles  
For the turnstiles  
For the turnstiles
