

Fat Skeleton

The Bear Quartet

Sunday morning,
Perfect sunday morning
Only slightly hangover
Making coffee perfect hot and black
Cranking up your favourite record

Feels like falling
In it once again
Feels like falling
In that for the first time

Watching TV for several hours
No commitments that tire you
Sunday morning,
Perfect summer
Sunday morning,
No alarm-clock no telephone

Feels like falling
In it once again
Feels like falling
In that for the first time
