

## Hunchback

The Bear Quartet

Went to congratulate  
My dear friend  
And then you came  
Didn't know what to say  
Every thought was DOA

Can't come back into my life,  
No, you can't  
It took me years to switch off  
All the parts that you've touched

All the red, all the black  
Puny ants they oh so small  
Sun is gone, suits still on  
What's the worth of the worst

In my head  
In my head  
It's all in my head  
And my heart  
It is also in my heart  
Let me go  
And my heart  
It is also in my heart  
Let me go
