

Hard Luck Tom

The Bees

Hard Luck Tom
Told me a story
Told me the one where she said good-bye

Hard Luck Tom
Told me everything
Told it to me with the tear in his eye

And it's so sad
Everything goes wrong
Life is so bad
And he's Hard Luck Tom (Hard Luck Tom)
And it's so sad
Everything goes wrong
Life is so bad
And it's Hard Luck Tom
He's got a hard life

Hard Luck said
No way to beat it
No matter what he does he's bound to fall
Though Luck Tom, don't understand it
Just when he's winning then he'll lose it all

And it's so sad
Everything goes wrong
Life is so bad
And he's Hard Luck Tom (Hard Luck Tom)
And it's so sad
Everything goes wrong
Life is so bad
And it's Hard Luck Tom
He's got a hard life
