

# Breakthrough

The Belonging Co

This is where my heart will beat again  
This is where I get set free  
This is where Your love is calling me  
I'm ready, yeah, I'm ready

To cross over the line  
Leave it all behind  
Nothing's gonna keep me here  
Oh, until I see a change  
I'm lifting up Your name  
There's freedom in the atmosphere

Oh, I feel like dancing  
I feel like praising You  
'Cause I know, this is my breakthrough  
I'm gonna see You move  
This is my breakthrough  
This is my breakthrough  
I'm gonna breakthrough

This is where Your word takes hold of me  
And this is where my fear lets go  
Your Spirit is alive inside of me  
I'm ready, yeah, I'm ready

To cross over the line  
Leave it all behind  
Nothing's gonna keep me here  
Oh, until I see a change  
I'm lifting up Your name  
There's freedom in the atmosphere

Oh, I feel like dancing  
I feel like praising You  
'Cause I know, this is my breakthrough  
I'm gonna see You move  
This is my breakthrough  
This is my breakthrough  
I'm gonna breakthrough  
This is my breakthrough  
This is my breakthrough  
I'm gonna breakthrough

I'll keep on dancing, I'll keep on singing  
I'll keep on praising You  
I'll keep on dancing, I'll keep on singing  
I'll keep on breaking through  
I'll keep on dancing, I'll keep on singing  
I'll keep on praising You  
I'll keep on dancing, I'll keep on singing  
I'll keep on breaking through

Oh, I feel like dancing  
I feel like praising You  
'Cause I know, this is my breakthrough  
I'm gonna see You move  
And oh, I feel like dancing

I feel like praising You  
'Cause I know, this is my breakthrough  
I'm gonna see You move  
This is my breakthrough  
This is my breakthrough  
I'm gonna breakthrough
