

Holy Ground / Holy, Holy, Holy

The Belonging Co

This flame
Let it burn for You
This fire
Consume all I do
Come and purify my heart, O God

Your face
All I long to see
Your eyes
See the depths of me
I never wanna leave this place, O God

I will defend this holy ground
With reverence
Nothing familiar to be found
In Your presence
Clean hands, pure heart
I will be set apart for You
I will defend this holy ground

You've awakened
My song again
Bringing worship
As I enter in
Boldly I approach Your throne
Boldly I approach Your throne
Jesus

I will defend this holy ground
With reverence
Nothing familiar to be found
In Your presence
Clean hands, pure heart
I will be set apart for You

I will defend this holy ground, this holy ground

Your presence, I never wanna leave
Your presence, let nothing come between
So precious, more than anything
Your presence

Your presence, I never wanna leave
Your presence, let nothing come between
So precious, more than anything
Your presence

Your presence, I never wanna leave
Your presence, let nothing come between
So precious, more than anything
Your presence

I will defend this holy ground
With reverence
Nothing familiar to be found
In Your presence
Clean hands, pure heart

I will be set apart for You

I will defend this holy ground
With reverence
Nothing familiar to be found
In Your presence
Clean hands, pure heart
I will be set apart for You
I will defend this holy ground

This holy ground, this holy ground
It's holy because You're holy
It's holy because of Jesus
Mmm, mmm, mmm, mmm
Mmm, mmm, mmm, mmm

Holy, holy, holy
Lord God almighty
Early in the morning
Our song shall rise to Thee
Holy, holy, holy
Merciful and mighty
God in three persons
Blessed Trinity

Holy, holy, holy
Lord God almighty
Early in the morning
Our song shall rise to Thee
Holy, holy, holy
Merciful and mighty
God in three persons
Blessed Trinity
