

# Love Like This

The Belonging Co

Oh the wonder of Your love  
Leaves me speechless, undone  
Oh the mystery of Your grace  
That it covers my mistakes

In awe of You, I'm in awe of You

I've never known love like this, so beautiful  
I'll never get used to this, my heart is Yours  
Of this I am convinced, from now until the end  
I'll never know love like this, so beautiful

When I think of what You've done  
Every sin You've overcome  
That You would do it all again  
I will never comprehend

In awe of You, I'm in awe of You

I've never known love like this, so beautiful  
I'll never get used to this, my heart is Yours  
Of this I am convinced, from now until the end  
I'll never know love like this, so beautiful

So beautiful  
So beautiful

You don't leave me where You found me  
You pull me up out of the mess  
You don't leave me brokenhearted  
Never break Your promises  
You keep giving second chances  
Far above what I deserve  
You keep telling me I'm worth it  
Not a love I have to earn

You don't leave me where You found me  
You pull me up out of the mess  
You don't leave me brokenhearted  
Never break Your promises  
You keep giving second chances  
Far above what I deserve  
You keep telling me I'm worth it  
Not a love I have to earn

I've never known love like this, so beautiful  
I'll never get used to this, my heart is Yours  
Of this I am convinced, from now until the end  
I'll never know love like this, so beautiful

So beautiful  
It's so beautiful  
So beautiful  
So beautiful

You don't leave me where You found me  
You pull me up out of the mess

You don't leave me brokenhearted  
Never break Your promises  
You keep giving second chances  
Far above what I deserve
