

## Stay Here

The Belonging Co

I wanna know the nearness of Your heart  
Feel the kindness in Your eyes  
See the truth of who You are  
Give me a glimpse into Your holiness  
Let me hear Your loving voice  
Oh, I long for nothing less

I wanna stay here  
Stay here with You  
I wanna stay here  
Stay here with You  
Until all my fears are shattered  
Until every mountain is moved  
You are all my heart is after  
I wanna stay here  
Stay here with You

Lead me to trust the Father that You are  
Speak Your promises to me  
Overwhelm me with Your love  
I wanna breathe Your life inside my lungs  
Fill me with Your holy power  
With an all consuming fire

Until all my fears are shattered  
Until every mountain is moved  
You are all my heart is after  
I wanna stay here  
Stay here with You  
I wanna stay here  
Stay here with You

No, there's nothing like it  
Oh, Your holy presence  
Oh, all I want is to stay here  
Stay here with You  
I wanna stay here  
Stay here with You

Until all my fears are shattered  
Oh, until every mountain is moved  
You are all my heart is after  
I wanna stay here  
Stay here with You  
Until all my fears are shattered  
Until every mountain is moved  
You are all my heart is after  
So, I wanna stay here  
Stay here with You  
God, I wanna stay here  
Stay here with You  
Ooh, I wanna stay here  
Stay here with You  
Oh, I wanna stay here  
Stay here with You

Oh, oh

I wanna stay here  
With You  
Ooh, I wanna stay here  
With You  
Ooh, I wanna stay here  
With You  
Ooh, ooh, Lord with you drawn here

Until all my fears are shattered  
Until every mountain is moved  
You are all my heart is after  
I wanna stay here  
Stay here with You  
God, I wanna stay here  
Stay here with You
