

The Dove

The Belonging Co

God was there at the beginning, His Spirit brooding like a dove
Spoke the earth into existence, formed creation that He loved
Man was born of perfect image, made to be a friend of God
Meant to dwell within His presence, yeah, it's where we all belong

Holy Spirit
All we need is more of You, we want more of You
Holy Spirit
All we need is more of You, we want more of You

When sin had spoiled creation, the Creator sent a flood
On the cusp of new beginning, He again released the dove
And after all the searching, it found a place to land
On Christ, the perfect Son who would redeem it all again
Looking for the branches, it landed on the Vine
The One for our redemption Who would bridge eternal life

Holy Spirit, the Truth, the Living Water
All we need is more of You, we want more of You
Holy Spirit, the Helper and the Healer
All we need is more of You, we want more of You

Holy Spirit, the Truth, the Living Water
All we need is more of You, we want more of You
Holy Spirit, the Helper and the Healer
All we need is more of You, we want more of You

(We love You)
(We long for You)

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit
Holy, Holy, Holy Spirit
Holy, Holy, Holy Spirit
Holy, Holy, Holy Spirit
Holy, Holy, Holy Spirit

(Holy Spirit)
(Holy Spirit, yeah, yeah)
(Holy Spirit)
(Holy, holy, holy, holy)

It is not by my own earning to have the Helper at my side
The Gift was fully purchased when the Lamb was crucified
So now freely I can ask Him, for His blood has washed me clean
Let the Dove of Heaven rest upon the Christ in me
Let the Dove of Heaven rest upon the Christ in me
Oh, Holy Spirit, come and rest upon the Christ in me

Holy Spirit, the Truth, the Living Water
All we need is more of You, we want more of You
Holy Spirit, the Helper and the Healer
All we need is more of You, we want more of You
(More of You, more of You... hey!)

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit (You're holy, You're holy)

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit

(Ooh)
(Ooh-ooh-ooh, ooh-ooh)
(Pour Your Spirit out)
(Pour Your Spirit out again)
(Fresh Wind, fresh Fire from Heaven)
(It's all we long for)
(You're all we long for)

Let this be an upper room
Light the flame, we burn for You
Holy, Holy, Holy Spirit

Like a mighty rushing wind
Pour Your Spirit out again
Holy, Holy, Holy Spirit
Holy, Holy, Holy Spirit (Oh yeah)
Holy, Holy, Holy Spirit
