

Your Nature

The Belonging Co

You bring life to the barren places
Light to the darkest spaces
God, it's Your nature

You bring joy to the broken-hearted
Hope to the ones who've lost it
God, it's Your nature

There is no desert that Your streams can't run to
There are no ruins that Your love won't make new
You tell the wasteland
That it will bloom again
'Cause it's Your nature

You will restore the years that shame has stolen
You keep the promises that You have spoken
I know this wasteland will be whole again
'Cause it's Your nature

You bring peace
To the war inside us
Speak and all fear is silenced
God, it's Your nature

You bring joy to the broken-hearted
Hope to the ones who've lost it
God, it's Your nature

There is no desert that Your streams can't run to
There are no ruins that Your love won't make new
You tell the wasteland
That it will bloom again
'Cause it's Your nature

You will restore the years that shame has stolen
You keep the promises that You have spoken
I know this wasteland will be whole again
'Cause it's Your nature

Sing out o barren woman
Sing out o broken man
Stretch out your hands believing this is your promise land
Break out of disappointment
Break out of hopelessness
Stretch out your hands believing this is your promise land

Every broken heart
Every this moment
All anxiety
Lay down at His feet
Lay down at His feet
Let Him meet you there
Let Him meet you there
He sees you
He knows the deep things in your heart
He sees you
Come out of agreement with every lie of the enemy

Come out of agreement
Come into agreement with your Father and His heart for you
Cause He's for you
He's not against you
He sees your dreams
He sees the seas that have been faith
He sees you

Get your hopes up
Can you get your hopes up
Get your hopes up
Can't you get your hopes up
Get your hopes up
Can't you get your hopes up
Put your hope up that I can see that

Get your hopes up
Can you get your hopes up
Get your hopes up
Can't you get your hopes up
Get your hopes up
Can't you get your hopes up
you Jesus

Get your hopes up
Can you get your hopes up
Get your hopes up
Can't you get your hopes up
Get your hopes up
Can't you get your hopes up

Sing out o barren woman
Sing out o broken man
Stretch out your hands believing this is your promise land
Break out of disappointment
Break out of hopelessness
Stretch out your hands believing this is your promise land

Let faith arise
Let faith arise
Let faith arise
Let faith arise
Let faith arise
Let faith arise

Cause there is no desert that Your streams can't run to
There are no ruins that Your love won't make new
You tell the wasteland
That it will bloom again
'Cause it's Your nature

You will restore the years that shame has stolen
You keep the promises that You have spoken
I know this wasteland will be whole again
'Cause it's Your nature
