

All Over Me

The Benjamin Gate

Wave come, wave fall
Cast me on Your broken shore
Son come, Son fall
Cast me on Your love so warm

Jesus' love is, Jesus' love is

All over me, all over me
All Your love is all over me
All over me, all over me
All Your love is, oh

All over me, all over me
All Your love is all over me
All over me, All over me
All Your love is

Christ come, Christ crawl
Nailed to a cross so tall
All come, all fall
All walk with hearts so torn

Jesus' love is, Jesus' love is

All over me, all over me
All Your love is all over me
All over me, all over me
All Your love is, oh

All over me, all over me
All Your love is all over me
All over me, all over me
All Your love is

Your love
Your love is all over me
Your love is all over me

All over me, all over me
All Your love is all over me
All over me, all over me
All Your love is, oh

All over me, all over me
All Your love is all over me
All over me, all over me
All Your love is

Your love is, Your love is over
Your love is, Your love
Your love is, Your love is over
Your love is, Your love is
All over me, all over me
