

## Less Than Thou

The Benth

Another evening alone  
Speaker by my ear  
Shakes the air around the room  
Another evening alone  
Caressed by the sound  
Of a warbling voice from a beautiful mouth  
Trying my best to be less of a coward  
Trying to be less  
Trying to be less than thou

Another glance at the phone  
Going over all the words  
You used to cut the cord  
Another evening alone  
Collecting the lines (Ba ba ba, ba ba ba)  
Lines that you use when you say that you're fine (Ba ba ba, ooh )  
Trying to ignore all the typical signs  
Trying to be more (ooh)  
Trying to be more surprised (ooh)

Go ahead  
Fly all night  
Slow deplete  
All your lives  
Leave me out  
Leave me out  
Leave me out  
Leave me out this time

Go ahead  
Fly all night  
Slow deplete  
All your lives  
Leave me out  
Leave me out  
Leave me out  
Leave me out this time
