

## Cereal Song

The Bicycle Thief

Oh heroin, oh heroin  
And cocaine and cocaine  
Well, I loved them both

But they took my life, they took my friends  
They won't give 'em back, well, I want 'em back  
Oh, give 'em back now

And what has it gotten me?  
Just some teeth I can't chew  
My favorite cereal with

Oh , bein' cool and lookin' good  
Keith Richards and Lenny Bruce  
And all of them  
Well, I give up

Sometimes I'll get sad  
Or I'll get mad  
About where I should be  
And where I am and I wanna go back

But where has it gotten me?  
35 years old now  
I wash dishes in a restaurant

Well, my friend Robert  
Well, he can't stop  
And his teeth are fallin' out  
And he's livin' at his mom's  
And it's no fun, no

I guess, I'm lucky I'm alive  
Yeah, I'm lucky, I'm alive  
'Cause I should be dead  
Well, I have been dead  
But I'm not now, no

And what has it got me?  
Just some teeth I can't chew  
My favorite cereal with

Yeah, where has it gotten me?  
I'm 35 years old now  
Work in a fucking restaurant

Oh heroin, oh heroin  
And cocaine and cocaine  
Well, I loved them both
