

# Rage

The Big Pink

I take, I take what I've been given and I paint it gold  
I give what I can't hold  
The kids  
They take what they've been given far as they have know  
They change all the rules their sold

And as the time goes by  
We'll consolidate those old lies  
Time will always be on our side  
Even when the last laugh dies

So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine  
So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine

Back and forth and back again we  
Learn to write the right side of history  
Loosen up the noose they give me

Fuck the fame based on some pretence  
We just want some heat and substance  
Fuck off games that narrow your lane

And as the time goes by  
We consolidate those old lies  
Time will always be on our side  
Even when the last laugh dies

So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine  
So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine

Learn to run, don't crawl  
Each stone will roll  
All direction home  
Dancing round that poll  
Waging war  
The rains will fall

So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine  
So rage  
Against the day  
You know there is no wasted time  
I know I'm not wasting mine
