## The Bird and the Bee

Where are you Jenny? Where are you Jenny?  
Can't you tell it's me that's calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Can't you feel the panic coming from the other line?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am always running out of time?

I need to know what you would do  
I need to understand  
Don't cover it with sugar, Jenny  
Tell me who I am  
I've lost all of my senses  
I know I've lost my head  
Don't tell me where to find it  
Just tell me what to say instead

I know, I know, I know  
You're probably very busy doing something else  
And I know, I know, I know, I know  
I should probably figure this one out all by myself

Where are you Jenny? Where are you Jenny?  
Can't you tell it's me that's calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Can't you feel the panic coming from the other line?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am always running out of time?

I need you to encourage me  
Need you to feel my pain  
I know that I can lose my way  
But I'm not the one to blame  
I need you to instruct me  
Need you to crack the code  
And if you don't pick up phone  
I'm certain that I will explode

I know, I know, I know  
You're probably very busy doing something else  
And I know, I know, I know, I know  
I should probably figure this one out all by myself

Just give me one chance, just give me one more chance  
Just give me one chance, just give me one more chance

Where are you Jenny? Where are you Jenny?  
Can't you tell it's me that's calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Can't you feel the panic coming from the other line?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am calling on the telephone?  
Where are you Jenny? Where are you Jenny?  
Don't you know that I am always running out of time?
