

## Kiss On My List

The Bird and the Bee

My friends wonder why I call you all of the time  
What can I say  
I don't feel the need to give such secrets away  
You think maybe I need help, no, I know that i'm right  
I'm just better off not listening to friends' advice

When they insist on knowing my bliss  
I tell them this  
When they want to know what the reason is  
I only smile when I lie, then I tell them why

(because your kiss) your kiss is on my list  
(because your kiss) your kiss is on my list  
Because your kiss is on my list of the best things in life  
(because your kiss) your kiss is on my list  
(because your kiss) your kiss I can't resist

I go crazy wondering what there is to really see  
Did the night just take up your time, 'cause it means more to me  
Sometimes I forget what i'm doing, I don't forget what i want  
Regret what I've done, regret you? I couldn't go on  
And if you insist on knowing my bliss

I'll tell you this  
If you want to know what the reason is  
I'll only smile when I lie, then I'll tell you this
