

# Polite Dance Song

## The Bird and the Bee

Give it up for me please  
Put your hands in the air  
If you know what's good for you  
You'll wanna shake it like you just don't care

Would you please clap your hands?  
Now get up on your feet  
I beg of you to get up and dance  
It's such a crazy kick-ass beat

Pardon me, the music is moving  
Moving from left to right  
Apologies, for losing my cooling  
Losing today, tonight

Since I'm asking so nice  
Would you just entertain?  
There's nothing left to hide you away  
Just show a little bit of brain

Yes, that is what I mean  
That's the nail that I hit  
I try to be as coy as I can  
But I want to see your naughty bit

Would you please? Would you please?  
Would you?  
Would you please? Would you please?  
(Apologies, apologies)  
Would you?  
Would you please? Would you please?  
(Apologies, apologies)  
Would you please clap your hands?

Pardon me, the music is moving  
Moving from left to right  
Apologies, for losing my cooling  
Losing today, tonight

Would you be nasty with me?  
Do you like dancing with me?  
I think we have a very special quality

Would you please? Would you please?  
Would you?  
Would you please? Would you please?  
(Apologies, apologies)  
Would you?  
Would you please? Would you please?  
(Apologies, apologies)  
Would you please clap your hands?

Pardon me, the music is moving  
Moving from left to right  
Apologies, for losing my cooling  
Losing today, tonight
