

## Recreational Love

### The Bird and the Bee

Love  
Nobody can go without  
It's just our human nature  
Oh  
You say you don't need that stuff  
You're just not the same creature

Cause all you want is  
Recreational love, love, love  
You say you need your freedom  
Recreational love, love, love  
I just don't believe your reason

Give it, give it, give it, give it  
Give me all that you've got to give  
All my girlfriends say  
No, no, no, no, no, no  
Give it, give it, give it  
Tell me I'm the reason you've got to live  
But you always say  
You don't believe in love

Lies  
You say you can't help yourself  
You just have so many demons  
Uh  
I've heard that one before  
It just makes your life so easy

Cause there's no such thing as  
Recreational love, love, love  
You say you want your freedom  
Recreational love, love, love  
I just don't believe your reason

Give it, give it, give it, give it  
Give me all that you've got to give  
All my girlfriends say  
No, no, no, no, no, no  
Give it, give it, give it  
Tell me I'm the reason you've got to live  
But you always say  
You don't believe in love

Ooh tell me something that I can believe  
Cause you might give it up  
But you're never going to give it up to me  
I don't believe anything  
And You believe in love  
You just aren't in love with me

Give it, give it, give it, give it  
Give me all that you've got to give  
All my girlfriends say  
No, no, no, no, no, no  
Give it, give it, give it  
Tell me I'm the reason you've got to live

But you always say  
You don't believe in love
