

# Don't Know Why

The Black Crowes

You say you want everything good for me  
But I know you so well,  
I can tell when you're lying  
Making believe you're looking up to me  
And I'm just sitting here, crying

And I don't know why I don't know why I don't know why I don't  
care

You'll go on back to him, he'll take you in  
I know he's gonna love you, but I still want you back again  
'Cause baby you're part of me, it's deep inside of you  
When he's done all he can, you'll come running to your other ma  
n, oh yeah

And I don't know why I don't know why I don't know why I don't  
care

I know you won't soon forget last night  
Your precious love was all over me, but it's all right  
Go on and try again but you know nothing's gonna change  
That's the way it's gonna be, oh yeah

And I don't know why I don't know why I don't know why I don't  
care
