Greasy Grass River

The Black Crowes

Now I'm swimming in the greasy grass river On my way to the black pearl sea Yeah I'm floating down the greasy grass river Come one child come with me Life is so easy on greasy grass river Just take my hand and we can pretend to be free You wanna be Free Come on with me

Take me down to the greasy grass river Wash my hands where the water is clean Lay me down by the greasy grass river And unfold my mystery The greasy grass river has water that whispers Let's listen closely while She says she wants to be free You wanna be Free You know what I mean?

I'm out of my pocket and I'm out on my mind I'm out of my pocket and I'm out on my mind I'm out of my pocket and I'm out on my mind I'm out of my pocket and I'm out on my mind
