

Lifevest

The Black Crowes

Headaches, heartaches windfalls and pitfalls
They pay what they pay

Car crash, talk trash
Bloodbaths and witchcraft
If that's what you see

How can I make somethin' so wrong somethin' so right
How can I make somethin' so wrong somethin' so right

Shipwreck, lifevest
You swim to shore
Or you sink away
Mistake, bad taste
Just spit it out
And it goes away

How can I make somethin' so wrong somethin' so right
How can I make somethin' so wrong somethin' so right

How can I make somethin' so wrong somethin' so right
How can I make somethin' so wrong somethin' so right
