

# My Heart's Killing Me

The Black Crowes

You were so sad you made my dogs howl  
You kept the ring, forgot the vow  
You were so sick that you almost died  
You needed help, but nobody tried

Will this crime ever go to trial  
My heart's killing me, my heart's killing me  
This love won't let me be  
My heart's killing me  
It's just you, it's just me  
My heart's killing me

One sad bird, one sad fence I cannot love, I've no defense  
Staring at two helpless hands  
And all I want is to hold you again

Will this crime ever go to trial  
My heart's killing me, my heart's killing me  
This love won't let me be  
My heart's killing me  
It's just you, it's just me  
My heart's killing me
