

## Liar's Ink

### The Black Heart Procession

Time won't forget the lies  
Time can't forget the lies  
Till the day you die Where memory is gone  
You won't forget the lies  
You can't forget the lies  
Till the day you die  
It's not meant to stay It ain't everything It  
ain't anyway  
It's in everything It's in every way It ain't  
every day  
It ain't anything It's not meant to stay It's n  
ot what you say  
It's not meant to stay  
Time won't forget your lies  
Time can't forget your lies  
Till the day you die  
Your memory is gone  
I won't forget this time  
I can't forgive this time  
Till the day you die  
and your memory is gone
