

Release My Heart

The Black Heart Procession

what you gave to me I'll never forget
I was born for you before this crime began
all I ask of you is to take the knife and
release my heart before you move ahead
what if I was to say to you
"you will never see me again"
I was born of you my partner in crime
and what you stole from me
I may never get it back so
release my heart before you move ahead
