Breaking Down

The Black Keys

I went out on the town and I stumbled
I got caught in the trap of somethin'
Bag of bones, sat alone in the deep end
Pull me up, you don't know what I've been through
It was so cruel

When your hearts' been aching
When you can't be sleeping
Don't you feel like breaking down?

Took a trip on the skip in the ocean
Sunk my ship, like a brick, I was sulking
Calling round on the tide
Spun me round, ran the ground, next to nothing
Ain't it something?

When your hearts' been aching
When you can't be sleeping
Don't you feel like breaking down?

When the earth is shaking
And your souls' been taken
Don't you feel like breaking down?
Breaking down

When your hearts' been aching
When you can't be sleeping
Don't you feel like breaking down?
