Well, I'm busted Yes, I'm busted But my heart Won't let me die

If you feel alright, darlin'
Won't you come around?
Won't you come around?
'Round, 'round, 'round, 'round

If you love me Like I love you Please, won't you Let me know?

I'll play it all night, darlin'
Walk through my door
Walk through my door
Walk through my door
Walk, walk, walk, walk
