

Do the Romp

The Black Keys

Hey now baby, let's do the romp
Hey baby, let's do the romp
Do the romp, do the romp
Til' the broad daylight, broad daylight again

Hey now baby, let's do it all over again
Hey baby, do it all over again
Do the romp, do the romp
Til' the broad daylight, broad daylight

Hey now babe, let's do it all over again
Hey baby, do it all over again
Do the romp, do the romp
Til' the broad daylight, broad daylight again
