

Do the Rump

The Black Keys

Hey now baby - Let's do the rump
Yeah darling - Lets do the rump
Do the rump 'til the broad daylight,
Broad daylight
Hey now baby - All over again
Yeah darling - All over again
Do the rump - 'til the broad daylight,
Broad daylight.
Hey now baby - Let's do the rump
Yeah darling - Let's do the rump
Do the rump
Do the rump
'til the broad daylight, broad daylight yeah
