Everlasting Light

The Black Keys

Let me be your everlasting light The sun when there is none Im a Shepard for you And Ill guide you through Let me be your everlasting light

Let me be your everlasting light Ill hold and never scold In me you can confide When no ones by your side Let me be your everlasting light

Oh baby, cant you see? Im shining just for you Loneliness is over Dark days are through Theyre through

Let me be your everlasting light A train going away from pain Love is the coal That makes this train roll Let me be your everlasting light

Let me be your everlasting light

Let me be your everlasting light

Be your everlasting light
