## **Same Old Thing**

## The Black Keys

It don't matter where you've been The people try to do you in Every day till dawn There's some thievin' goin' on

Oh, oh no Hurt me so

Just the same old thing
Just the same old thing
No matter how much love you try to bring
Just the same old thing

You got a callous heart From being torn apart Now you labor every day Love life drifts away

Oh, oh no
It hurts me so

Just the same old thing
Just the same old thing
No matter how much love you try to bring
Just the same old thing
