

Last One Standing For You

The Black Sorrows

Ooh, ooh oh
Ooh, ooh oh
Ooh, ooh oh
Ooh, ooh oh

I don't need no burning faith
If I got you in my heart when I fall from grace
Now do I, do I have to beg and kneel
For just one taste to the love ya steal?
Back with half of my heart stood still
I say ya praying at your window sill

I been dancin' in a river of darkness
Ooh, ooh oh yeah, yeah
Cross my heart in the hour of judgement
Be the last one standing for ya
Ooh, ooh
Ooh, ooh
Ooh oh

There's a gentle wave and a burnin' street
The stars come crashin', dancin' at your feet
I saw you runnin' when the sky turn black
The mountains crumbled but you never looked back

And I've been down the river of darkness
Ooh oh
Cross my heart in the hour of judgement
Be the last one standing for ya
Ooh, ooh
Ooh, ooh

Oh, it don't matter how far you run
It don't matter what you done
When you lost your faith in everyone
I'll be the last one standing for ya
Last one standin' for ya
Last one standin' for ya

I been dancin' in a river of darkness
Ooh, ooh
Cross my heart in the hour of judgement
I'll be the last one standin' for ya

I'm searchin' down by the river
Down by the river
Down by the railroad track
And in this crumblin' city
A comes tumblin' down
Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh

The last one standin' for ya
Last one standing for ya
Last one standing for ya, baby

Last one standing for ya
You know, know, you know, know, you know
I'll be the last one standing for ya

The last one standing for ya
The last one standing for ya
The last one standing for ya
The last one standing for ya
When you're gone

The last one standing for ya
The last one standing for ya
The last one standing for ya
There's one thing, there's one thing, there's one thing
