

Dive

The Blackmail

Would you die for
Would you die for a ride,
You don't have to wait
You don't have to wait tonight
I intend to let
I intend to let you dive
Another second passed
And I just beg you to get tight
Hey it feels like you've been down to let me slide
Hey it feels like you've been down to let me slide
Tonight
It wasn't meant to be
It wasn't meant to be you're right
The plea is by my side
The time is up but you don't dive
Hey it feels like you've been down to let me slide
Hey it feels like you've been down to let me slide
Tonight
Everything's in bloom
I'm breathing down my neck
I'll see the lightning soon
I'm diving to get back
Hey it feels like you've been down to let me slide
Hey it feels like you've been down to let me slide
Tonight
