

Foe

The Blackmail

Playing out the day
We try to stop ourselves from getting swept away
I'm gonna let you step ahead
I'll show you things, so you can pretend
But you don't know what they meant
Let it all begin to swim
Let it all begin to swim
Let it all depend on something that hold us up again
But you don't understand

It's an ordinary thing
When you're going against the grain
But I got to save us when
It comes down to it

Let me make it plain
I'm not trying to use you for my own gain
I'll ask you how to settle down
Get your kicks and hang around
We could do that to the end
Just pretend
