

# Save Our Selves (The Warning)

## The Blackout

Woaaaaahhhhh (7x)

So this is how it's gonna be  
You and me are history  
We will never look the same  
But the end is coming.  
Your time is running out  
The rain is pouring  
So raise your voice and shout

This is a blackout  
And you'll find out  
It's gonna come and take everything you love away  
A blackout, coming to your town  
We'll never run away so stand and fight another day.

So this is where it all began  
This is where the story ends  
We will never need to leave  
We keep running  
The walls keep coming down  
This is a warning  
So raise your voice and shout.

This is a blackout  
And you'll find out  
It's gonna come and take everything you love away  
A blackout, coming to your town  
We'll never run away so stand and fight another day.

Oh!

Going out [x39]

This is a blackout  
And you'll find out  
It's gonna come and take everything you love away  
The blackout coming to your town  
Well never run away so stand and fight another day.

This is a blackout (3x)

Wooooaaahhh (4x)
