

# Happier

## The Blessed Madonna

Lately I can't get no rest  
Know I didn't give you my best  
Tried my hardest to forget  
Still ain't over you yet

Do you ever wonder about me  
When it's late at night and you're lonely?  
I've been thinking about your body  
I remember when you were mine

I hope you're happier  
Hope you're happy now, truly  
I hope you're happier  
Hope you're happy now, without me

Oh  
I hope you're happier  
Oh  
I hope you're happier

I know I filled your head with doubt  
So you didn't stick around  
I said I'd never let you down  
Never let you down

Do you ever wonder about me  
When it's late at night and you're lonely?  
I've been thinking about your body  
I remember when you were mine

I hope you're happier  
Hope you're happy now, truly  
I hope you're happier  
Hope you're happy now, without me

Oh  
I hope you're happier  
Oh  
I hope you're happier

Oh  
Oh  
Oh  
I hope you're happier, happier, happier

I hope you're happier  
Hope you're happy now, truly  
I hope you're happier  
Hope you're happy now, without me

Oh  
I hope you're happier  
Oh  
I hope you're happier, happier, happier

Oh
