

Evening Sun

The Bliss

Evening sun
why don't you stay
just a little
longer
please

my friends in high our party's almost over
why dont you stand a little longer please
i need you back
i need you better
i need you back that i could kill
i need you back
i need you better

evening sun
why don't you stay
just a little
longer
please
my friends ain't high
our party is almost over
why don't you stay a little longer please
i need you back
i need you better
i need you back that i could kill
i need you back
i need you better

evening sun
why don't you stay
just a little
longer
please
