

Gagged in a Casket

The Blood Brothers

Gagged in a casket

He's looking for trouble: Silver plated wingtips
And a switchblade

He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged in a casket

Oh how they payed. Oh how they pray
Oh how they payed. Oh how they pray
Oh how they payed. Oh how they pray
Oh how they payed. Oh how they pray

He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged...

Seven dead and seven dying
Oh for the sake of this revenge
What deeds have they done?

Oh how they payed. Oh how they pray
...

He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged in a casket
He's got them gagged in a casket

Seven dead and seven dying
Oh for the sake of this revenge
What deeds have they done?
