

## Harass

## The Blood

As soon as torn from womb until death  
I'll stand in your way  
Setting a barrage to these souls  
Which christian and holy  
Locked the doors to your refuge  
Keep one's eye on all fellow-believers  
Prepare for bloodshed to the final punishment  
Wickedness has haunted christ-possession  
HARASS believer... delete lord's prayer  
Engrained wicked... god dethroned  
HARASS believer... enmity of fraud  
Engrained wicked... enthronization
