

Don't Leave Me Blue

The Blue Van

There's one thing that I want
It's got to be pure and true
But I worry, so worried I'll never find you
For the young lovers, they dance
They hunger for each other
They needn't hurry, no no no
For the young lovers

Don't leave me blue
Don't you leave me blue, right now
Don't leave me blue
I never never never never told you

I can't save you, I don't want to
You got to find out for yourself
But what I can do is tell you
That you wither too fast
'Cause love is dying, I've done my trying
I give up right now
Every piece is missing, I've done my wishing
I'm done

Don't leave me blue
Don't leave me blue
I never do, I never do
Don't leave me blue
I never never... I'm so lonely now

'Cause love is dying, it's gone.
It's so... it's it's... frail
It's so... it don't...
It it it it it it it's all done
Alright, alright
It's a-dying, I don't care
Alright, alright
I don't give much anyway

Don't leave me blue
So it goes I want my darling so
Don't leave me blue
I never would have, I never would have anyway
Don't leave me blue
Leave me blue, leave me blue
Don't leave me blue
I never would, I never ever ever would
