

Harder Than a Diamond

The Blue Van

Got the world on my back, but I don't ask for pity. Won't take no crap from the hipster committee. Got a way with words I didn't learn in school, I'm confident, I got nothing to prove.

Harder than a diamond, Louder than the sound of a battle drum, Faster than a Trans am, Brighter than the light of a million suns.

If you want something bad, but you don't know how to get it, You gotta scratch that itch or just forget it. Gotta show them, boy, that it's in your genes, And nobody's gonna listen if you don't scream.

Harder than a diamond, Louder than the sound of a battle drum, Faster than a tranzam, Brighter than the light of a million suns.

Harder than a diamond, Harder than a diamond.

Harder than a diamond, Louder than the sound of a battle drum, Faster than a tranzam, Brighter than the light of a million suns.

Harder than a diamond, Louder than the sound of a battle drum, Faster than a tranzam, Brighter than the light of a million suns.
