

## Castle Rock

The Bluetones

Yesterday has gone, but time is on my side  
When I'm on my own, I find a place to hide  
You're rushing through my head  
You're seeping through my skin

Heaven feels so close, it doesn't feel so late  
Underneath these stars, well I don't know my name  
I'm lying in your arms  
I'm lying to your face  
And right before my eyes  
You turned and walked away

One thing she can't do  
Is tell me what I'm trying to prove  
And what to say to you  
I'll be straight with you  
I think I might be losing my way  
Because you left me there for dead  
I don't ever think I'll get over you

One thing she can't do  
Is tell me what I'm trying to prove  
And what to say to you  
I'll be straight with you  
I think I might be losing my way
