

You're No Fun Anymore

The Bluetones

I think that I might have
Broken your fist with my face
I'm so sorry, I didn't mean it
I won't flinch and offer you a clean hit

You're no fun anymore
You used to be once, but that was before
Tip off your face and get off the floor
Cos you're no fun anymore

I keep hearing the same rumours
About you and satsumas
Role playing sensation
Strange games with asphyxiation

I can't say the word, whoa lux Luxembourg
I can't say the word, whoa lux Luxembourg

What you waiting for, what you waiting for?
Rip into me, rip into me

Oh, you're no fun anymore
You used to be once, but that was before
Tip off your face and get off the floor
Cos you're no fun anymore
You're no fun anymore
You used to be once, but that was before
Tip off your face and get off the floor
