

Cheap to Keep

The Bones

I\ 've scratched the eightball,
I\ 've seen
the Devil smile
I\ 've tried to run and I\ 've tried to hide
Well I\ 've been drinking,
I\ 've been gambling
and I\ 've lied
Been cheated my whole life

Cruising down the lane -
Another day on losers lane
And I just wanna go away
It burns inside I\ 'm on my way
I\ 'm heading for my judgement day

I\ 've searched in vain for a life that
won\ 't come true
Breaking promises to you
I\ 've been drinking, I\ 've been working
but what\ 's the use?
I guess I\ 'm born to lose

Cruising down the lane -
Another day on losers lane
And I just wanna go away
It burns inside I\ 'm on my way
I\ 'm heading for my judgement day
