

It's my life

The Bones

I've got a reputation
People know who I am
Rules are mean't to be broken
Can't kill what you don't understand
I see you running scared
I never knew you cared
Go and hide your head in the sand

Been to hell and back
I survived and that's a fact

It's my life
And I do what I wanna do
What I wanna do
What I like
It's my life
And I do what I wanna do
What I wanna do

My New Year's resolution
Is always the same
Gonna do what I like
Gonna do what I want
What the hell you think? (yeah)
I don't need nobody
Wanna play a game
Shout it from the roof
And I'll face up to the truth

It's my life
And I do what I wanna do
What I wanna do
What I like
It's my life
And I do what I wanna do
What I wanna do

It's my life
And I do what I wanna do
What I wanna do
What I like
It's my life
And I do what I wanna do
What I wanna do

(Uhhh yeah)

Don't need an invitation
Don't play hard to get
So I'll frell acclaim
I can't be dead
You know it doesn't matter
I'll swear what I want
I'll wear what I like

It's my life
And I do what I wanna do

What I wanna do
What I like
It's my life
And I do what I wanna do
What I wanna do

It's my life
And I do what I wanna do
What I wanna do
What I like
It's my life
And I do what I wanna do
What I wanna do
