

Less Than Zero

The Bones

Sometimes I feel completely wasted,
some how I feel like shit
Some days I feel so alone now,
cause I end up doing the things
that we did
Sometimes I do things
I don\'t care \'bout,
somehow I don\'t know why
Sometimes I try to do things my way,
but I end up doing
this shit that we did

My girl and my job, that\'s the way
the things are

Sometimes I feel completely waste,
some how I feel like shit
Some days I can\'t stop to wonder,
Why she left me all alone with that
bottle of gin

My girl and my job, that\'s the way
the things are

Sometimes I feel completely waste,
some how I feel like shit
Some days I can\'t stop to wonder,
Why she left me all alone with that
bottle of gin

My girl and my job, that\'s the way
the things are
