

Me, Mike + John Wayne

The Bones

Rock\'n\'roll mutant grabbed
the world right by the balls
Dug up the hatchet and took it all
Just stomped the pedal and never
ever looked aside
Went straight ahead, wasting no time
Another night another
freaky horrorshow
Vulgar display of rock\'n\'roll
Resurrected Mr Devilock made a spin
The King is dead long live the King
Mighty leatherjacket legend
breaking hearts
One of a kind, a flaming star

Don\'t wanna spend my time with you
Cos from now on babe, world tours
and all my day drinking
Too much of wasted nights,
too much of you

The universal nightmare, a cruel,
distorted fiend
A punkrock Wolverine in heat
Just stomped the pedal and never
ever looked aside
Took this world just surprise
Another night another
freaky horrorshow
Vulgar display of rock\'n\'roll

Don\'t wanna spend my time with you
Cos from now on babe, world tours
and all my day drinking
Too much of wasted nights,
too much of you
