Not My Kind

The Bones

I\'ve got a problem with you talking to my face
I\'ve got a problem with you getting on my case
I always hate it when you tell me what to do
I\'ve got a problem and the problem is you

Shut up, shut the hell up
\'Cuz I don\'t now what you say
Don\'t talk don\'t run your mouth
\'Cuz it don\'t mean nothing to me

I\'ve got a problem with you getting on my nerves
you\'ve got it coming gonna get what you deserve
I never liked it when you tell me what to say
I\'ve got a problem and it never goes away

Shut up, shut the hell up
\'Cuz I don\'t know what you say
Don\'t talk don\'t run your mouth
\'Cuz it don\'t mean nothing to me

Fuck off!

I can\'t believe that you could treat me so unkind
I always knew that you were not of human kind
You\'ve got a problem if you think I\'ll disappear
you\'ve got a problem and the problem is me

Shut up, shut the hell up
\'Cuz I don\'t know what you say
Don\'t talk don\'t run your mouth
\'Cuz it don\'t mean nothing to me

Shut up, shut the fuck up
\'Cuz I don\'t know what you say
Don\'t talk don\'t run your mouth
\'Cuz it don\'t mean nothing to me
