## Something's Wrong

Ever felt like exploding? Ever lost control? Ever been to my world? Ever felt alone?

I try, but I don\'t understand Why all things just go bad I know something\'s wrong Yeah I know but I don\'t care at all

Ever been rejected? Ever killed a dream? Ever crawled in the gutter? Ever met me?

I try, but I don\'t understand Why all things just go bad I know something\'s wrong Yeah I know but I don\'t care at all

Ever won a battle? Ever lost a love? Ever felt like nothing? Ever said: \'Enough!\'?

I guess I\'ll never understand Why all things just go bad I know something\'s wrong Yeah I know but I don\'t care at all **The Bones**
