

## \$TOOPKID

The Bones

A kid like me, I'm always on my grind  
24/7 bitch you know where to find  
A kid like me, smokin' lot of pine  
16 raps that's 32 to life  
High without a flight, hype without a mic  
Never lose focus, been rappin' like all my life  
Used to ditch class, to rap in the hall  
Beats off my phone, lyrics off my dome  
Jewels on my neck, waist on my chrome  
Chrome on my waist, make no difference if you wrong  
Click-clack boom, catch yo ticket to yo tomb  
Your favorite rapper gone, I'm still on the stoop, bitch
